

A MESSAGE FOR OUR COMMUNITY

As we reach the end of another busy half term, we want to celebrate everything our children, families and staff have achieved together. It has been a half term full of learning, new experiences, new friendships and important steps forward. Thank you for being part of our Supreme Start community. We hope you have a restful half term and we look forward to seeing you on **TUESDAY 03.11.2026**

WELCOMING NEW FAMILIES

A very warm welcome to the children and families who have joined us this half term. Starting somewhere new can be a big and daunting step but we are delighted to have you with us. We look forward to getting to know you, listening to your views and working together to help every child feel safe, happy and ready to learn.

SUPPORTING MACMILLAN CANCER CHARITY

A huge thank you to everyone who donated cakes or money to the Macmillan Cancer Charity coffee morning. Our children went out to deliver invitations to the local businesses and created posters and items for the stall.

We raised £35 for the charity and we are grateful for every contribution and the sense of community that it brought for us.

IMPORTANT UPDATE

In order to make sure children have the best start to their day, we have slightly amended the start time of the school day. After half term, **school will open at 9am**. Please make sure you arrive at this time so that the staff can be ready to welcome the children in. The relevant transport teams have been told so you do not need to update them. Thank you for your understanding with this..

October NEWSLETTER

OFSTED VISIT AND REPORT

Following our Ofsted progress monitoring visit in September, we have been reflecting on the progress made across the school and the work still ahead. The visit provided an opportunity to demonstrate the improvements to our systems, provision and daily practice. Ofsted has confirmed that some labels in the published report included an error; **these standards were met**. We are awaiting publication of the corrected report. We remain committed to continuous improvement and will keep families updated. We are very proud of the work we have completed already but also excited about what is to come!

LEARNING BEYOND THE CLASSROOM

This half term our children have been involved in lots of learning outside of the classroom, enjoying local trips and visits, swimming, music therapy and sport. These opportunities are provided to support communication, confidence, independence, social skills and the chance to practice their learning in different environments. We are proud of the way they embrace new experiences, each in their own unique way. Swimming was a great highlight for us this term and we will resume this after the holiday, the children **LOVE** swimming sessions. We will let you know which day swimming will be when we return after the break

NEW FACES IN THE TEAM

After the half term, we will be welcoming some new faces to the teaching team. Our team is growing in number and experience, and we are appointing new staff who are extremely well qualified to support the daily needs of our amazing children.

Lana and Nicola will be with us from November, joining Rachael, Amy, Sabahat and Fejiro, who you already know. We are looking forward to welcoming them to the team.

If you have any questions or queries, please get in touch with the team.
